**About the Omni Mount Washington Resort**

The Omni Mount Washington Resort is an all-season resort destination in New Hampshire located at the base of Mount Washington and surrounded by the White Mountain National Forest. In September, 2009, Omni Hotels began management of the property, which is now home to the Omni Mount Washington Hotel, site of the International Monetary Conference of 1944, and Bretton Woods, New Hampshire's largest ski area. With the completion of a \$50 million refurbishment and expansion in 2009, the resort unveiled the restored 18-hole Mount Washington Golf Course, a new 25,000-square-foot Spa, 20,000-square-foot Conference Center, outdoor pool complex and renovated guestrooms, lobby and public spaces. The new Bretton Woods Canopy Tour was also added to the resort's list of amenities, which includes top-rated Alpine and Nordic skiing, 27 holes of championship golf and a full slate of additional seasonal activities. A variety of lodging, dining and activities is offered year-round, along with many traditional and cultural events.
